

Moorestown High School Project Graduation

November 2022

Dear Class of 2023 Family and Friends,

Planning is underway for the Moorestown High School Class of 2023 Project Graduation! Moorestown adopted Project Graduation thirty-three years ago as a community-sponsored event to keep our high school graduates and the community safe. It is an all-night, alcohol-free, and drug-free celebration and our goal is to have 100% of our graduates attend!

Class of 2023 Graduation & Project Graduation will be on Thursday, June 22, 2023

- ***Our Clap-out on Main Street kicks off Project Graduation!*** Immediately following the graduation ceremony, graduates board buses and travel down Main Street, where community members gather to wish them well.
- ***Buses transport our graduates to secret locations!*** Graduates will enjoy a night of good friends, delicious food, games, dancing, and plenty of fun!

The cost of Project Graduation is approximately \$250 per graduate and is entirely funded by the generous donations from our community.

[Please consider a tax-deductible donation to help fund this event.](#)
